Except as expressly and unambiguously permitted by this Agreement, Licensee shall not, nor permit anyone else to, directly or indirectly: (i) copy, modify, or distribute the Software; (ii) reverse engineer, disassemble, decompile or otherwise attempt to discover the source code or structure, sequence and organization of the Software (except where the foregoing is expressly prohibited by applicable local law, and then only to the extent so prohibited); (iii) rent, lease, or use the Software for timesharing or service bureau purposes, or otherwise use the Software on behalf of any third party; (iv) exceed the number of licenses specified in the Order, or, (v) use the Software for performing comparisons or other “benchmarking” activities, either alone or in connection with any software (and Licensee will not publish or disclose any such performance information or comparisons). Licensee shall maintain and not remove or obscure any proprietary notices on the Software.

3. OWNERSHIP RIGHTS. Title, ownership rights, and intellectual property rights in and to the Software, and any copies or portions thereof, shall remain in Licensor and its suppliers or licensors. Licensee understands that Licensor may modify or discontinue offering the Software at any time. The Software and documentation is protected by the copyright laws of the United States and international copyright treaties. 7. **INDEMNITY.** Licensor will defend at its own expense any action against Licensee brought by a third party to the extent that the action is based upon a claim that the Software infringes any known U.S. patents or copyrights or misappropriates any trade secrets recognized as such under the Uniform Trade Secret Law, and Licensor will pay those direct costs and damages finally awarded against Licensee in any such action that are specifically attributable to such claim or those costs and damages agreed to in a monetary settlement of such action. The foregoing obligations are applicable only if: (i) promptly notifies Licensor in writing of the infringement claim; (ii) allow Licensor sole control over the defense for the claim and any settlement negotiations; and (iii) reasonably cooperate in response to Licensor requests for assistance. Licensee may not settle or compromise any infringement claim without the prior written consent of Licensor. Licensor shall have no obligation pursuant to this Section if the infringement is caused by (i) the modification of the Software other than by Licensor; or (ii) the combination of the Software with other software not provided by Licensor; or (iii) the use of other than the most current version of the Software, if the current version would be non-infringing and has been made available to the Licensee. If the unmodified Software becomes, or in Licensor’s opinion is likely to become, the subject of a claim of infringement or misappropriation, Licensor may, at its option and expense, use its reasonable efforts to (i) modify or replace the Software to be non-infringing while giving equivalent performance and functionality, or (ii) obtain for the Licensee the right to continue using the Software. If it is not reasonably practicable to perform either of the above options, then Licensor may terminate this Agreement with respect to the infringing Software and refund to Licensee (i) any perpetual License fees paid by Licensee less straight-line depreciation over a three (3) year useful life beginning on the date such Software was delivered and any prepaid and unused Maintenance and Support Services fees or (ii) any prepaid and unused subscription License fees. This sets out Licensee’s sole remedy and the whole liability of Licensor in the event that the Licensed Software infringe the patents, trademarks, copyrights or other intellectual property rights of any third party. Licensee shall indemnify and hold harmless Licensor from any claims, damages, liabilities, costs and fees (including reasonable attorney fees) arising from Licensee’s misuse of the Software as well as from Licensee’s failure to comply with any term of this Agreement.

8. **EVALUATION VERSION OR FREE VERSION WARRANTY DISCLAIMER.** LICENSOR PROVIDES THE EVALUATION OR FREE VERSION OF THE SOFTWARE “AS IS” and without warranty of any kind, AND hereby disclaims all express or implied warranties, including without limitation warranties of merchantability, fitness for a particular purpose, performance, accuracy, reliability and non-infringement. This disclaimer of warranty constitutes an essential part of this Agreement.

9. **ENTERPRISE EDITION WARRANTIES AND DISCLAIMER.** Licensor warrants that the Software will perform in substantial accordance with the Documentation for a period of ninety (90) days from delivery (the “Warranty Period”). If the Software does not perform as warranted, Licensor shall undertake to correct the Software, or if the correction of the Software is not reasonably possible, replace such Software free of charge with conforming software. If neither of the foregoing is commercially practicable, Licensor shall terminate this Agreement with respect to the non-conforming Software and refund the monies paid by Licensee attributable to such non-conforming Software. *The foregoing are Licensee’s sole and exclusive remedies for breach of warranty.* The warranty set forth above is made to and for the benefit of Licensee and will be enforceable against Licensor only if: the Software has been used at all times in accordance with the instructions for such use; and Licensee has not made or caused to be made modifications, alterations or additions to the Software that cause it to deviate from the Documentation. EXCEPT FOR THE FOREGOING WARRANTIES, LICENSOR DOES NOT MAKE (AND HAS NOT AUTHORIZED ANYONE TO MAKE) ANY EXPRESS OR IMPLIED WARRANTY, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR NONINFRINGEMENT. LICENSOR HAS NOT AUTHORIZED ANYONE TO MAKE ANY REPRESENTATION OR WARRANTY OTHER THAN AS PROVIDED ABOVE.

10. **DATA PRIVACY.** Licensor may process technical and related information about Licensee’s use of the Software which may include internet protocol address, hardware identification, operating system, application software, peripheral hardware, software configuration and non-personally identifiable Software usage statistics to facilitate the provisioning of updates, support, invoicing or online services ("Services"). To the extent this constitutes Personal Data that is subject to the GDPR (as defined in the Data Processing Addendum “DPA”), in the provision of Services, the terms of the DPA at [https://www.hytrust.com/legal/dpa (“DPA”)](https://www.hytrust.com/legal/dpa), which are hereby incorporated by reference, shall apply and the parties agree to comply with such terms.
11. LIMITATION OF LIABILITY. UNDER NO CIRCUMSTANCES AND UNDER NO LEGAL THEORY, INCLUDING, BUT NOT LIMITED TO, TORT, CONTRACT, NEGLIGENCE, STRICT LIABILITY, OR OTHERWISE, SHALL LICENSOR OR ITS SUPPLIERS OR RESELLERS BE LIABLE TO LICENSEE OR ANY OTHER PERSON FOR ANY (I) INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES OF ANY CHARACTER INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOST PROFITS, LOSS OF GOODWILL, WORK STOPPAGE, ACCURACY OF RESULTS, COMPUTER FAILURE OR MALFUNCTION, OR DAMAGES RESULTING FROM LICENSEE’S USE OF THE SOFTWARE; (II) COST OF PROCUREMENT OF SUBSTITUTE GOODS OR TECHNOLOGY; OR (III) ANY MATTER BEYOND ITS REASONABLE CONTROL. NOTWITHSTANDING ANYTHING TO THE CONTRARY, LICENSOR’S LIABILITY FOR DAMAGES OF ANY KIND WHATSOEVER ARISING OUT OF THIS AGREEMENT SHALL BE LIMITED TO THE LICENSE FEES PAID BY LICENSEE HEREUNDER FOR THE PRECEDING TWELVE (12) MONTH PERIOD. THE FOREGOING LIMITATIONS SHALL APPLY EVEN IF LICENSOR HAS BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGES.

12. TERM AND TERMINATION. The Evaluation or Free Version is provided for a period of sixty (60) days (“Evaluation Period”). At the end of the Evaluation Period, Licensee will have to purchase a License to continue using the Software. The License shall commence on the purchase date of the Software and will remain in effect until the end of the term specified in the Order or until terminated by Licensor or Licensee. Licensee may terminate this Agreement at any time. Licensor may discontinue the evaluation or free version at any time. Licensor may terminate this Agreement immediately if Licensee violates any provision of this Agreement. Any termination of this Agreement shall also terminate the licenses granted hereunder. Upon termination of this Agreement for any reason, Licensee shall destroy and remove from all computers, hard drives, networks, and other storage media all copies of the Software, and shall so certify to Licensor that such actions have occurred. Licensor shall have the right to inspect and audit Licensee's facilities to confirm the foregoing. Sections 2 through 3 and 7 through 13 and 17, and all accrued rights to payment, shall survive termination of this Agreement.

13. CONFIDENTIALITY. “Confidential Information” means information or materials provided by one party (“Discloser”) to the other party (“Recipient”) which are in tangible form and labelled “confidential” or the like, or, information which a reasonable person knew or should have known to be confidential. The following information shall be considered Confidential Information whether or not marked or identified as such: (a) License Keys; (b) information regarding Licensor’s pricing, product roadmaps or strategic marketing plans; and (c) non-public materials relating to the Software. Recipient may use Confidential Information of Discloser; (a) to exercise its rights and perform its obligations under this Agreement; or (b) in connection with the parties’ ongoing business relationship. Recipient will not use any Confidential Information of Discloser for any purpose not expressly permitted by this Agreement, and will disclose the Confidential Information of Discloser only to the employees or contractors of Recipient who have a need to know such Confidential Information for purposes of this Agreement and who are under a duty of confidentiality no less restrictive than Recipient’s duty hereunder. Recipient will protect Confidential Information from unauthorized use, access, or disclosure in the same manner as Recipient protects its own confidential or proprietary information of a similar nature but with no less than reasonable care. Recipient’s obligations under this Section with respect to any Confidential Information will terminate if Recipient can show by written records that such information: (a) was already known to Recipient at the time of disclosure by Discloser; (b) was disclosed to Recipient by a third party who had the right to make such disclosure without any confidentiality restrictions; (c) is, or through no fault of Recipient has become, generally available to the public; or (d) was independently developed by Recipient without access to, or use of, Discloser’s Information. In addition, Recipient will be allowed to disclose Confidential Information to the extent that such disclosure is required by law or by the order of a court of similar judicial or administrative body, provided that Recipient notifies Discloser of such required disclosure promptly and in writing and cooperates with Discloser, at Discloser’s request and expense, in any lawful action to contest or limit the scope of such required disclosure.

14. GOVERNMENT USE. If Licensee is part of an agency, department, or other entity of the United States Government (“Government”), the use, duplication, reproduction, release, modification, disclosure or transfer of the Software is restricted in accordance with the Federal Acquisition Regulations as applied to civilian agencies and the Defense Federal Acquisition Regulation Supplement as applied to military agencies. The Software are each a “commercial item,” “commercial computer software” and “commercial computer
15. **COMPLIANCE WITH LAWS AND IMPORT/EXPORT CONTROLS.** Licensee shall comply with all import or export laws and restrictions and regulations of the Department of Commerce, the United States Department of Treasury Office of Foreign Assets Control ("OFAC"), or other United States or foreign agency or authority, and Licensee shall not import or export, or allow the import or export or re-export of the Software in violation of any such restrictions, laws or regulations. Licensee shall not import, export, or re-export, directly or indirectly, any Software, Documentation, or information relating to either of the foregoing to any country to which such import, export, or re-export is restricted or prohibited, or as to which any such government or any agency thereof requires an export license or other governmental approval at the time of such import, export, or re-export without first obtaining such license or governmental approval. By installing or using the Software, Licensee agrees to the foregoing and represents and warrants that Licensee is not in the denied party list and is not located in, under the control of, or a national or resident of any restricted country. Licensee is responsible for complying with any local laws in Licensee’s jurisdiction which may impact Licensee’s right to import, export or use the software, including the license, permit or other approval requirements for the import of cryptographic products. In addition, the Software may or may not be subject to China’s Office of the State Commercial Cryptography Administration (OSCCA) regulation. Under Chinese law, the end-user is responsible for assessing the applicability of China’s commercial encryption regulatory regime, and ensuring compliance with OSCCA import and use requirements, if applicable. Licensor disclaims all liability for compliance with any applicable laws and regulations in China, including without limitation the OSCCA import and use requirements, and does not manage the permit process, if applicable. Licensor’s liability is limited to, to the extent necessary for applying for OSCCA permit, provide product data sheets and other order information upon request. Licensor reserves the right to terminate the Agreement in the event that Licensee violates any terms in this Section 15 during the term of the Agreement.

16. **RECORDS AND AUDIT.** During the term of this Agreement, Licensee will maintain accurate records of Licensee’s use of the Software sufficient to show compliance with the terms of this Agreement. Licensor may request and Licensee will provide a report within thirty (30) days disclosing all Software in use throughout the organization, comparing the number of licenses in use to the number of effective licenses issued. Licensee will promptly pay the additional fees associated with any additional licenses in use that exceed the licenses issued. In addition, Licensor will have the right to audit Licensee’s use of the Software to confirm compliance with the terms of this Agreement. That audit is subject to reasonable notice by Licensor and will not unreasonably interfere with Licensee’s business activities. Licensor may conduct no more than one (1) audit in any twelve (12) month period, and only during normal business hours. Licensee will reasonably cooperate with Licensor and any third party auditor and will, without prejudice to other rights of Licensor, address any non-compliance identified by the audit by promptly paying additional fees. Licensee will promptly reimburse Licensor for all reasonable costs of the audit if the audit reveals either underpayment of more than five (5%) percent of the Software fees payable by Licensee for the period audited, or that Licensee has materially failed to maintain accurate records of Software use.

17. **MISCELLANEOUS.** This Agreement represents the complete agreement concerning the Software between the parties, to the exclusion of any pre-printed or contrary terms of any Licensee purchase order (or similar document), and supersedes all prior agreements and representations between them; provided, however, that if there is already a mutually signed agreement between Licensor and Licensee (not including any Licensee purchase order or similar document) covering Licensee’s license to use the Software, then the express terms of that signed agreement will govern to the extent they are expressly contrary to this Agreement. This Agreement may be amended only by a writing executed by both parties. If any provision of this Agreement is held to be unenforceable for any reason, such provision shall be reformed only to the extent necessary to make it enforceable. The failure of Licensor to act with respect to a breach of this Agreement by Licensee or others does not constitute a waiver and shall not limit Licensor's rights with respect to such breach or any subsequent breaches. This Agreement is personal to Licensee and may not be assigned or transferred for any reason whatsoever without Licensor's consent (provided, however that no such consent shall be required in the event of an assignment to a successor to substantially all of the assets or business of Licensee) and any action or conduct in violation of the foregoing shall be void and without effect. Licensor expressly reserves the right to assign this Agreement and to delegate any of its obligations hereunder. This Agreement shall be governed by and construed under California law as such law applies to agreements between California
residents entered into and to be performed within California. Unless waived by Licensor in a particular instance, the sole and exclusive jurisdiction and venue for actions arising under this Agreement shall be the State and Federal courts in California and each party hereby consents to the jurisdiction of such courts for any such dispute. The party prevailing in any dispute under this Agreement shall be entitled to its costs and legal fees.
